GNCSGNA Fall Hybrid EDUCATIONAL CONFERENCE 2026
DATE: October 17, 2026
Location: Eastern AHEC
2600 W Arlington Blvd, Greenville, NC 27834

Dear GNCSGNA Exhibitor,

The Greater North Carolina Society of Gastroenterology Nurses and Associates (GNCSGNA) continue in our efforts to promote excellence in the fields of GI Nursing and Endoscopy as we launch another educational conference. We value the relationships that we have with all our vendor partners in GNCSGNA and would like to take this opportunity to invite you and your company to exhibit at our Fall Conference to be held on **October 17, 2026.**

The following is the tentative vendor schedule:

- The exhibit room will open during registration continental breakfast at 7:00 AM Saturday morning. The conference begins promptly at 8 AM on Saturday, October 17th. The agenda allows approximately one and a half hours, divided into three time periods for participants to visit with exhibitors and examine product lines.
- Exhibit table fee of $750 for Saturday. The exhibit hall base price includes a one six-foot skirt table, continental breakfast on Saturday morning, and lunch for two representatives. Please advise us of special needs, such as electricity, in advance.

The GNCSGNA course offers your company a unique opportunity to interact effectively with GI nurses and associates, who utilize your products and services. You are invited to participate in one of the fastest growing local exhibits of products in the field of Gastroenterology and Endoscopy.

For this event we are expecting to attract at least 125 in-person attendees and another 75 virtually from across the country, which will allow your sales representatives to connect with many institutions. We are asking for your contribution of $2000, which will give your company a Platinum table in a premium location within the exhibit hall on Saturday. The funds for exhibitor space and sponsorship dollars are used for continuing education scholarships for our members and cover facility fees when applicable at the conference location.

Door prizes are always welcome, and all donors will receive recognition for their contribution. Each exhibitor will be acknowledged in the conference syllabus and thanked for their support. Your generous support allows us to offer a premiere educational conference. We look forward to seeing your company representative.

Thank you in advance for all your continued support of our regional society. Those of us involved in Endoscopy management value and appreciate companies that support the region regarding these important educational needs. We look forward to your participation in the Fall 2026 Educational Conference.

Kind Regards,
Sherri Scott RN, CGRN
GNCSGNA President
